

Auvé FootTherapy Moisturizer

"While I was growing up, my loved ones exemplified to me the values of hard work. Their dedication was my inspiration in developing FootTherapy Moisturizer."

FootTherapy Moisturizer protects and heals that part of us which carries us through our lives. It is a richly deserved reward for the area of our bodies too often taken for granted."

*Angella Sprauve
Founder, Auvé*

Auvé FootTherapy Moisturizer combines concentrated hydration and unique cooling properties to soothe sore, tired soles, making them feel heavenly. It provides relief for feet after a tiring day with an infusion of menthol, peppermint and relaxing lavender.

FootTherapy Moisturizer heals and comforts. Unique blends of organic ingredients heal skin while naturally cooling, protecting and nourishing.

Ten percent of funds from every FootTherapy Moisturizer sold is donated toward Auvé College Scholarships awarded to disadvantaged and underrepresented college students, supporting their academic goals in math, engineering, and science. This scholarship program is affiliated with 501c3 non-profit MESA (National Mathematics, Engineering, Science Achievement). While in college, Auvé Founder Angella Sprauve and her brother were each awarded MESA scholarships that made it possible for them to graduate college and pursue careers in science and engineering.
