

Auvé Lip TimeAction Conditioner (LipTAC)

"This product was inspired by my cousin. She has the full and beautiful lips that many women covet.

Before I developed this product though, my cousin was a lip balm packrat. She was on a never-ending quest to keep her lips from cracking.

My cousin begged me to develop a long-lasting lip conditioner. Originally, my intent was to create something to help her, to keep her lips from cracking.

After much research and analysis, I created a product that my cousin loves. She shared it with our families and friends and they all love it.

It's the newest product in my line. The low price makes it even more popular."

*Angella Sprauve
Founder, Auvé*

Long-lasting Lip TimeAction Conditioner has a sun protection factor of ten. The SPF helps shield lips from sun rays and windburn, preventing and diminishing fine lines.

This all-in-one, long-lasting conditioner lubricates and relieves dry and chapped lips, restoring them to smooth and velvety in feel and appearance.

The cooling sensation from LipTAC is relaxing and sensuous.

Ten percent of funds from every LipTac sold is donated toward Auvé College Scholarships awarded to disadvantaged and underrepresented college students, supporting their academic goals in math, engineering, and science. This scholarship program is affiliated with 501c3 non-profit MESA (National Mathematics, Engineering, Science Achievement). While in college, Auvé Founder Angella Sprauve and her brother were each awarded MESA scholarships that made it possible for them to graduate college and pursue careers in science and engineering.
